ASAC STATEMENT ON THE INVASION OF UKRAINE

The inevitable human cost of war along with the growing humanitarian crises in Ukraine must not be ignored.

The Air Sport Australia Confederation (ASAC) Board and its members stand strongly against the actions of Russia with this current act of war.

ASAC supports the Federation Aeronautique Internationale (FAI) position to suspend the members of Russia and Belarus with immediate effect and therefore remove all rights as listed in FAI Statutes 2.4.2.1.

ASAC stands with the global community and other international sports federations to call for an immediate cessation of the conflict taking place in the Ukraine.

On behalf of the ASAC Board.
