Hi All,

### **Personal Accident Insurance.**

The HGFA is very pleased to inform members that we have been working towards providing a Personal Accident Insurance policy, that covers all members.

This Insurance policy will also cater for pilots flying competitively or recreationally, whilst overseas, covering rescue/recovery, medical expenses and repatriation.  
This will however, be an optional extra, applied for on a case by case basis.

This type of policy only works with enough members and therefore would need to be an all in arrangement.

The great news is that it looks likely that the base policy could be offered at no additional cost to members.

We are still assessing the cost for the improved policies, offering benefits above the base policy.

We would like pilot feedback on which option would be the most preferred.

The purpose of this survey is to gauge initial member feedback.

Thank you.
