## SPECIAL GENERAL MEETING RESULT

As members will be aware, the HGFA conducted a Special General Meeting yesterday evening, 30th May 2019 at the HGFA Office in Melbourne to consider a Special Resolution to evolve our governance structure from an Incorporated Association to a Company Limited by Guarantee.

I am very pleased to announce that the Special Resolution proposing this was successfully passed. A total of 656 members voted with 579 for and 77 against.

A total of 75% of members who voted, was required in order for the Special Resolution to succeed and the final figure was a little over 88%.

The Committee will now focus on the many implementation tasks required to ensure we are operating under the new structure by 1st July 2019. Our name will change to Sports Aviation Federation of Australia - the name preferred by a majority of members. It is a name that symbolises inclusion for all our disciplines; those we have today and those that technology might deliver in the

years ahead.

On behalf of all members of the Committee of Management we want to say a huge thank you to our members for your trust & your wonderful support for this key reform. This is an historic event for our organisation. Change is not something that comes easily with a diverse membership base like ours. Our members are discerning; they're not prone to rash decision making and many are protective of our past and the legacy of those who have gone before us - and rightly so.

At the same time, this decision confirms a growing desire within our membership to seek out and pursue an as yet untapped potential for our sport - and that promises an exciting future.

Kind Regards,

Paul Green  
President  
HGFA
