

# SAFA Membership Renewal Campaign (Copy 01)

---

**Early Bird Renewals kicking  
off from 15 JULY 2019!**

Hello << Test First Name >>,

## **EARLY BIRD RENEWALS KICK OFF FROM 15 JULY - NOT FROM TODAY.**

**Apologies, in our earlier email today, we said early bird renewals kick off from today. This is a mistake. The correct date is 15 July 2019. Apologies for any confusion.**

As a current SAFA member, Rohan Taylor from Manly, Sydney can fly freely, chasing thermals around the globe while representing Australia in one of the most extreme aerial sports.

Recently competing at the Italian World Championships in July, Rohan, who is currently Australian number 2 in Hang Gliding, said being a member of SAFA provided the perfect platform to compete on an international stage, gaining vital flying skills and experience in a safe supportive community.

“You don’t have to be flying long to be able to compete in these amazing championships. And even if you aren’t wanting to compete, flying against some of the world’s best pilots is the best opportunity to learn and build your experience and skills,” he said.

“The good news is that our sport has become easier to learn in the last few years thanks to better weather forecasting and improvements in glider design. This has resulted in more people finding it easier to join the sport, faster and safer than ever.”

To continue to experience the freedom of flight like Rohan, taking in a bird’s-eye view of the world, it is imperative that all our pilots renew their current financial membership with SAFA.

As an organisation, we are much more than simply providing insurance, SAFA is passionate about advocating on our member’s behalf, with strong emphasis on training and safety that helps build our pilots’ skills and confidence needed to tackle the challenge of flying further and longer.

### **Benefits of renewing with SAFA.**

1. Be part of a supportive flying community of 3,500 fellow members, where we encourage you to spread your wings and take flight with your mates.
2. With an emphasis on training and safety, the SAFA helps build the skills and confidence needed to tackle the challenge of flying further and for longer.
3. SAFA provides you the most comprehensive insurance for sports aviation pilots in Australia and overseas.
4. SAFA is responsible for administrating flight operations to protect and promote member’s safety.
5. Gain an industry body that will advocate, support and inform members on all things sports aviation.

6. SAFA liaises with related sporting bodies and international organisations on its member's behalf.
7. Be part of a sporting legacy that stretches back over 50 years, where you are in safe, secure hands, so you can fly freely and safely.
8. Be part of an adrenalin-pumping, thrilling sport that takes you sky high.
9. SAFA sanctions competitions as a delegate of ASAC and the FAI.
10. Fly sky high and have access to national and international competitions

Safety is of the utmost importance to SAFA. Without a current SAFA membership, you are not allowed to fly, and your qualifications are no longer valid in Australia or overseas. Your licence and ratings are not valid without a SAFA membership.

As the airspace becomes more and more congested, the Civil Aviation Safety Authority (CASA) is prosecuting illegal flying activities. SAFA is focussed on safety, the future of our sport and ensuring your freedom to fly continues. We want to see you soar in this sport and fly high across Australian and overseas skies.

To renew your membership login to your account and click the renewal menu option.

**Until next time, safe, fun flying**

**- Paul Green, President, SAFA**
